FREQUENTLY ASKED QUESTIONS

What is the average cost for a couple to host their wedding at The Icon?

Couples typically budget between \$75,000 - \$95,000 (based on 300 guests) for venue rental, beverage package, staffing, and catering. This estimate does not include décor, entertainment, or additional vendors.

What is required to secure our date?

A signed contract and full payment of the venue rental fee are required to secure your date. Once received, your date is fully reserved.

Do we need to rent tables, chairs, dinnerware, and other items?

The venue comes partially furnished. However, depending on your event layout, you may choose to rent additional tables and chairs. Dinnerware, linens, and decorative elements such as centerpieces are not included and must be rented separately. For recommended event rental companies, please refer to the preferred vendor guide on page 6.

Can we host our wedding ceremony in the event space?

Absolutely! We're happy to accommodate wedding ceremonies for an additional \$500 ceremony fee.

Can we schedule a rehearsal if we're hosting our ceremony in the event space?

Yes! Please reach out two weeks prior to your wedding date, and we'll do our best to accommodate your rehearsal request, based on venue availability.

Are we required to hire a professional wedding planner for our ceremony and/or reception?

Yes, we require that you work with a professional wedding planner for at least month-of coordination. Your planner will oversee the ceremony rehearsal (if applicable), manage vendor coordination, keep your event schedule on time, and ensure the collection of gifts and personal items at the end of the night. You're more than welcome to choose your own planner, or we can provide recommendations.

Do we have to use a caterer from your preferred vendor guide?

Yes, all events must select a caterer from our preferred vendor list. These trusted partners have been carefully selected to ensure an exceptional experience and a high standard of service.

Can we access the space a day before for load-in or the day after for load-out?

Load-in and load-out outside of your rental period may be available for an additional fee. Please consult your event manager to check availability.

What time must our event conclude?

All event activities must end no later than midnight.
