FREQUENTLY ASKED QUESTIONS

What is the average cost for a couple to host their wedding at State Savings Bank?
Couples typically budget between $65,000 - $75,000 (based on 250 guests) for venue rental, beverage package, staffing, and catering. This estimate does not include décor, entertainment, or additional vendors.

What is required to secure our date?
A signed contract and full payment of the venue rental fee are required to secure your date. Once received, your date is fully reserved.

Do we need to rent tables, chairs, dinnerware, and other items?
The venue is unfurnished, so rentals are required to execute your event design including tables and chairs. Dinnerware, linens, and decorative elements such as centerpieces are not included and must be rented separately. For recommended event rental companies, please refer to the preferred vendor guide on page 6.

Can we host our wedding ceremony in the event space?
Absolutely! We're happy to accommodate wedding ceremonies for an additional $500 ceremony fee.

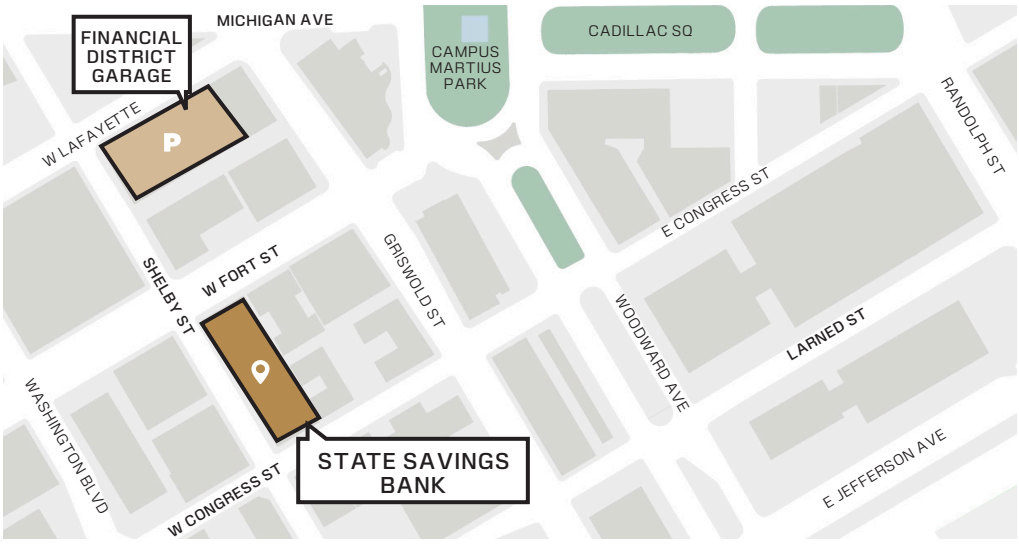
Can we schedule a rehearsal if we're hosting our ceremony in the event space?
Yes! Please reach out two weeks prior to your wedding date, and we'll do our best to accommodate your rehearsal request, based on venue availability.

Are we required to hire a professional wedding planner for our ceremony and/or reception?
Yes, we require that you hire, at minimum, a professional month-of wedding coordinator. Your coordinator will manage the event timeline, oversee the ceremony rehearsal (if applicable), coordinate vendors, direct ceremony and reception logistics, and serve as the primary point of contact throughout your event. They must be an independent professional and may not be a member of the wedding party, an immediate family member, or a guest. If needed, we're happy to provide recommendations.

Do we have to use a caterer from your preferred vendor guide?
Yes, all events must select a caterer from our preferred vendor list. These trusted partners have been carefully selected to ensure an exceptional experience and a high standard of service.

Is it possible for us to access the space a day prior for load-in or a day after for load-out?
Please consult your event sales manager to verify if load-in or load-out rental is available (additional charges to apply).

When must my event conclude?
All event activities must end no later than midnight.



Pricing is subject to change without prior notice. Desired date is not guaranteed without a signed contract and deposit.
